Conference Overview

Innov8 Health is the new event for those who are looking to transform how healthcare is delivered. Bringing together practical implementers and forward-thinkers, this event combines what is working in the here and now with emerging approaches to ensure that takeaways from the event are immediately actionable or help guide your future plans. With leading healthcare systems, payers, and tech-companies in attendance, Innov8 Health provides the perfect cross-section of the industry to ensure that how and where patients receive care is effective, scalable, and sustainable.

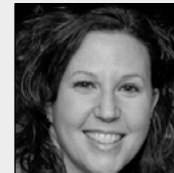

From implementing new delivery models and the reality of value-based care through to whole-person care and new technologies, the agenda for Innov8 Health has all the core topics covered. In addition to this, the breadth and depth of knowledge in the audience are set to ensure that all discussions onsite are as impactful as possible. Join your peers as we are set to transform healthcare delivery, together.

Whether you're targeting the entire conference, a topic-specific community, a specific individual, or high-level decision-makers, we offer a variety of methods to access our esteemed delegates. Explore our sponsor or exhibitor packages which offer a wide range of platforms to launch products, gain exposure, collect feedback, network, and generate new leads.

CONFERENCE TOPICS:

- The Big Picture - Reimagining Healthcare Delivery
- Implementing New Care Delivery Models
- The Reality of Value-Based Care
- The Intersection of Value & Quality
- Whole Patient Care – The New Norm?
- Clinical Case Studies
